John Winthrop Haelig;ger : Riesling Rediscovered: Bold, Bright, and Dry before purchasing it in order to gage whether or not it would be worth my time, and all praised Riesling Rediscovered: Bold, Bright, and Dry:

"What makes the book so encompassing, informative, and relevant is that Haeger has avoided focusing on viticulture or enology or economy in isolation, and has instead looked at all of them in their historic and contemporary scientific and socio-cultural context. . . . Not everyone loves Riesling, but those of us who do will find our passion articulately

explained and expressed in Haegerr's book."mdash;Anne Krebiehl, MW, The World of Fine Wine
