It is also far from a deep expose on the wine scene in St. Emilion, being more of a puff-piece. All that being said, the photography is beautiful. It is, perhaps, the quintessential coffee table book. A guest can pick it up, read a few pages, flip through the photographs, and put it down without feeling deprived. Again, if you are looking for a deep analysis of the vineyards, owners, and chateaux of St. Emilion, look elsewhere. If you are looking for a large-format, beautifully photographed treatment you won't be

disappointed. 0 of 0 people found the following review helpful. Five Stars

Toured this area several years ago and this book certainly brought it all back to me. What a beautifully done book in every way. Makes me want to book a ticket right now and go back.

Saint-Émilion invites readers into the homes of the winemakers who create some of the most popular and critically acclaimed wines in the world. The book features more than 70 legendary wineries, including Cheval Blanc, Grand Corbin, Angeac-Chalus, and Magdeleine. Profiles describe the history, architecture, and wine of each chateau. In addition, interviews with the winemakers and a rich selection of photographs give readers a taste of the colorful environment where these superior wines are produced.
Praise for Saint-Émilion: "This is a very formal region in Bordeaux—perhaps that's why I like it so much—and this book is filled with gorgeous photographs of gorgeous homes and famous chateaux like Cheval Blanc and Angelus."
—Lettie Teague, Wall Street Journal
"A gorgeous tour of the diverse region where the great Cheval Blanc, Angelus, Ausone, and more are made."
—Newsday
"The accompanying interviews . . . literally bring the people who make some of the greatest wines in the world right to your fingertips."
—Washington Examiner
"a beautiful treatment of one of the most beautiful regions in Bordeaux."
—The Wall Street Journal's On Wine blog
"The photographs are so lovely that you almost smell the earth, the grapes, and the barrels."
—France Magazine
"The kind of volume that gives coffee-table—make that wine-cellar—books a good name."
—Daily Meal
