All her recipes are creative, with daily ingredients. It's really easy to follow her instructions. I never had a failed recipe of hers. Her cake batter cookies are so far my favorite. Her cinnamon nutella muffins and cinnamon blondies are to die for as well. If you like baking or if you have a sweet tooth, buy this book and just enjoy! 1 of 1 people found the following review helpful. Pretty Good By Amy Zielinski My favorite recipes are the pumpkin chocolate chip bread and oatmeal scotchies- super

yummy! I was hoping that her recipes would turn out pretty decent and they did. There is also an informative guide in the beginning that talks about ingredients and equipment. I would recommend it for a beginning baker. 0 of 0 people found the following review helpful. Yum! By Customer So far so good. I've made the pumpkin bread and the healthy banana chocolate chip muffins and they're both been a hit. All of Sally's recipes are things that appeal to my family with no weird or hard to find ingredients. We will keep trying her recipes for sure!
