By Anntoinette This book is definitely helpful if you are planning on Brewery Hopping on your own in San Diego

20 NEW BREWERIES ADDED! Essential trip-planning advice, at-a-glance facts, and tasting notes on every San Diego brewery from A-Z! The explosion in the growth of San Diego breweries in recent years has been nothing short of phenomenal. With more than 93 breweries currently producing--and another 30 estimated for the coming year--the San Diego craft beer universe is becoming increasingly complicated and harder to navigate. THE SAN DIEGO BREWERY GUIDE provides locals, visitors, and tourists alike with all the information needed to plan the best brewery touring trip possible; whether for a day, a weekend, or a week.

About the Author San Diego native Bruce Glassman has written and edited numerous books about craft beer, and has developed a deep knowledge of the San Diego brewing scene. Bruce valiantly tasted more than 700 beers as part of putting this project together.
