McCallAwesome book!0 of 0 people found the following review helpful. A MUST IF YOU'RE VISITING SAN DEIGOBy SanDieganIf you like beer and live in San Diego, you will love this book. We had no idea San Diego had so many breweries with great tasting beer. We bought the book and are in the process of visiting each brewery. We even had the book signed at some locations. My favorite recipe is the Manzanita Beer Float! This book contains lots of information about each brewery along with recipes. The photos are spectacular. Great gift for any beer lover.
