It is easy to substitute for certain foods or seasonings if need be. Directions are very clear. Great book and glad I purchased it. A few of my friends have also went out and purchased it after they ate some of the recipes I made. 4 of 4 people found the following review helpful. One of my favorite cookbooks and I have hundreds of cookbooks! By L. Lee I love this cookbook. The muffin tin concept is pretty unique and the diversity of the recipes is really impressive...breakfast, pasta, vegetable, seafood, meats poultry. Many of the ingredient combinations are very innovative and are easy to make substitutions to suit your taste. The book is very well edited, with extremely detailed instructions. One of my favorite things is that nearly all the meals can be made in advance and they do stay good for up to five days in the frig. I did not think that was possible but they do. I have made at least 10 of the recipes without a loser yet. The spinach mushroom quiche is a hit with everyone and is great to make ahead for breakfast when you have house guests. 8 of 8 people found the following review helpful. Not enough pictures By jsmith Lots of recipes, not enough pictures. I find that seeing pictures of the finished product helps me decide whether or not I want to try a recipe out.

Hollis Wilder, the first two-time champion of Food Network's Cupcake Wars takes the traditional sweet cupcake in a new direction, with fresh flavors and a new savory look. The trusty cupcake pan works just as well for satisfying mini meals as it does for decadent sweets. Small, uniform portions make it easier to avoid overeating, and the meals are perfect for making ahead of time and freezing for the week in single or family-size portions. Hollis provides tips for having children help with the cooking to make a more enjoyable family mealtime. With 100 exciting recipes for breakfast, lunch, and dinner, such as Apple-Sausage Breakfast Cakes, Fig and Blue Cheese Tarts, Pumpkin Risotto, and Curried Chicken with Mango, *Savory Bites* proves a cupcake pan isn't just for sweets and is sure to please any palate or budget. Praise for *Savory Bites*: "While Wilder channels her inner Julia Child with updated aspic recipes featuring roasted vegetables, other dishes are simply comfort foods in cupcake tins." —Today.com
