3 of 3 people found the following review helpful. SconesBy Jbarr5Scones :The Ultimate Recipe GuideEach recipe includes Prep, cook times, bake, servings and the ingredients.How to prepare the mixture and cook it. No pictures and no nutritional information.Think some might be able to use something other than butter to make the scones healthier.Other works by the author are highlighted at the end.1 of 1 people found the following review helpful. Waste of MoneyBy JPDNot a book but a pamphlet. Typos abound. Most of these recipes are readily available at any cooking

web site. I was hoping for a unique collection of recipes, but not so. Over priced. Too many errors too. I returned the "book". 7 of 7 people found the following review helpful. very good By Michele Recipes are awesome. Reminds me of a time when I was in England having scones with my brother. Will try all recipes
