Plethora of holiday pie recipesBy _CustomerThe Thanksgiving Simple As Pie (Delicious Pie Recipes) by author Sara Winlet contains a plethora of sweet pie recipes. You will also find some yummy savory pie recipes too in her cookbook. You will find plenty of color images illustrating the various pie recipes. There is an interactive table of contents making navigation easy.Some of the recipes you will find in her

cookbook include: Apple Butter Pumpkin Pie, Deep Dish Apple Pie, Classic Butter Pie Crust, Savory Dinner Pies, Hearty Taco Pie. There is an interactive table of contents making navigation easy. Recommend. Penmouse 0 of 0 people found the following review helpful. Some excellent recipes, some exceptional fruit pie recipes! By Torey Beavers I'm not a big fan of authors asking for a great review. You wouldn't be interested in my long-winded theory, but I hope you're pay attention when I tell you that this book actually does deserve a great review. There are some darn fine pies here, and when the author says the recipes aren't too complicated, she's telling the truth. None of the recipes take a full page, but it doesn't mean they're overrun with shortcuts that aren't quite as tasty (pudding mixes, premature frozen whipped topping, etc.). But the best part of the book is the fruit pie section. The pies are exactly what they should be. A fine crust, loads of fresh fruits, and just enough o something else to hold it all together. I can barely read a recipe without seeing little things I'd want to correct, but I honestly think the fruit pies are perfect. Don't love telling people how to spend their money, but I feel good about recommending this book. 0 of 0 people found the following review helpful. Pies, Pies and more pies. By Lindah I found many new pies to try not just for Thanksgiving. I grew up where pie for breakfast was as normal as eating a bowl of cereal. But you get a little jaded after a time and are always looks for something new and interesting. I found a number of pies that I will try. I have a large collection of pie recipes so it is unusual to find something new that makes your mouth water reading them.

When I think of Pie, it reminds me of childhood days when we would go to my aunt Mary's farm every Sunday for dinner. She would bake the most delectable apple, Chocolate Meringue and Coconut pie. I still long for those simpler days when we sat on the front porch eating pie and drinking homemade lemonade. So, when I want to remember those days long gone, I bake one of aunt Mary's delicious pies from yesteryear. In my Scrumptious Pie book, I include many old family favorite recipes some of which have been enhanced with a few new twists. For example, I love cream pies, but I don't like eating raw egg's in meringue. So, I use my aunt Sherry's recipe for cream pie and make a topping that is out of this world. My Scrumptious Pie Cookbook includes recipes for both great dessert pies and delicious savory pies you can have for dinner. Whats better than having your whole meal in one pan and your dessert in another.
