Alan D. Eames : Secret Life of Beer: Legends, Lore Little-Known Facts before purchasing it in order to gauge whether or not it would be worth my time, and all praised Secret Life of Beer: Legends, Lore Little-Known Facts:

0 of 0 people found the following review helpful. Lots of fun for beer lovers! By Joanne A fun-to-read, quirky little book with lots of interesting information about the origins of beer - the author has really done his research for this book and has presented it in a fun, easy to read format. 0 of 0 people found the following review helpful. BEER! By Nancy If you like to be the life of the party and entertain your drinking friends, (or if you are a trivia-buff) this is the book for you! A short but entertaining read about beer facts and fiction! 10 of 13 people found the following review helpful. Don't waste your money By A Customer This is the most poorly written book I've ever read. It consists of a rambling, incohesive assortment of beer trivia and anecdotes that any beer geek already knows, random literary quotes containing the word "beer" or "ale" (example: "And when I think upon a pot of beer." - Lord Byron), and some eyewitness-type accounts of prehistoric brewing events. Furthermore, Mr. Eames devotes as much or more content to prohibitionist propaganda and factoids than to pro-beer trivia! I think Mr. Eames and his editor were intoxicated. What a disappointment.

Did you know that the Mayflower abandoned its journey and landed in Plymouth because it had run out of beer? That in ancient Sumeria, women dominated the art of brewing, operating under the protection of Siduri, goddess of the brewery? That 20 people literally drowned in beer in 1814, when a vat in a London brewery exploded, creating a tidal wave of beer? Or that alewives in colonial America brewed a high-test "groaning ale" for a mother-to-be to swig while

in labor? This fascinating and eclectic compendium comes from Alan Eames, beer's foremost historian, who has traveled the world uncovering the untold stories of one of the world's favorite beverages.

From the Back Cover A fascinating and eclectic compendium -- from beer's preeminent historian! Did you know that...
* The Mayflower abandoned its search for further destinations and landed in Plymouth because they had run out of beer?
* Women in ancient Sumeria dominated the art of brewing and tavern keeping, operating under the protection of Siduri, goddess of the brewery?
* Twenty people literally "drowned in beer" in 1814 when a vat in a London brewery exploded, creating a tidal wave of beer?
* Alewives in Colonial America brewed a special high-test "groaning ale" for a mother-to-be to swig while she was in labor?
Beer has inspired, influenced, and excited human beings for thousands of years! Alan Eames has traveled the world uncovering the Secret Life Of Beer -- the untold stories, lore, and references to beer in poetry, song, literature, and human history.
About the Author Alan D. Eames is a cultural anthropologist, magazine writer, and author of *A Beer Drinkers' Companion*. He is a founding director of the American Museum of Brewing History Fine Arts in Fort Mitchell, Kentucky. He lives in Brattleboro, Vermont.
