John Parkes : Self-Sufficiency: Home Bewing before purchasing it in order to gage whether or not it would be worth my time, and all praised Self-Sufficiency: Home Bewing:

0 of 0 people found the following review helpful. Great bookBy Roy McNeilVery informative and very easy to understand!0 of 0 people found the following review helpful. Simple jump-starter for new home brewersBy Eric HI picked this up at my local library and thought it was an excellent introduction to home brewing. It had just enough history and detail to give you a good base understanding of the brewing process and basic ingredients. It's not the end-all be-all of brewing, but it doesn't claim to be.I would definitely recommend this for someone who is new to home brewing or is considering home brewing.

What could be better than enjoying a glass of delicious home-brewed organic beer? This book includes everything you'll need to know to brew a variety of beers at home, from the equipment and techniques needed to a few inside secrets from a professional brewer. In this timely book, John Parkes demystifies the brewing process and explains in easy-to-follow terms how anyone can produce delicious beer with the help of just some basic equipment and a few key skills. Those new to home brewing will love the easy-to-follow instructions and the detailed explanations of the brewing process and anyone already adept at home brewing will be delighted by the original recipes. Made without unnecessary chemicals and additives, the beers featured here will appeal to anyone seeking a more self-sufficient lifestyle.

Clearly and concisely written, and pleasantly produced illustrated... This is a great, accessible little book to take you from no home brewing experience at all, well into experimenting with a range of recipes and styles, before yoursquo;ll need to buy anything else... I would heartily recommend it to newbie home-brewers.About the AuthorJOHN PARKES has a lifelong fascination with beer and is the founder of Red Rock Brewery, a traditional family-run six-barrel brewer in Southwest England.
