Some great recipes using healthy ingredients in cookies with some of your favorite sesame Street characters.1 of 1 people found the following review helpful. jwessnerBy jwessnerI bought this for my 2 yr. old daughter, because she loves sesame street, and she loves helping in the kitchen. She has a great time looking at the cookbook and helping with the cookies. A little blue hand is next to specific directions that little kids can help with.

Each of the 21 cookie recipes in this Sesame Street collection includes a step that allows kids to help. The kids step is marked by a special icon and colored text. The lovable Sesame Street characters, including the Cookie Monster himself, appear throughout the cookbook, offering healthy eating tips. The cookbook's glossy, extra-thick pages can withstand kitchen spills and be wiped clean with a damp cloth. You and your kids will want to try these cookie recipes: All-American Chocolate Chip Cookies Fruity Coconut Oatmeal Cookies Chocolate Chunk Oat Bars Snickerdoodles Granola Cookies
