Mike Renfro : Shine On: 100 Years of Shiner Beer before purchasing it in order to gauge whether or not it would be worth my time, and all praised Shine On: 100 Years of Shiner Beer:

0 of 0 people found the following review helpful. coffee table book By Angela MI bought this as a gift for a friend whose favorite beers come from Shiner. He really liked it. Originally, I thought I might want a copy of this book for myself as it's very large and luxe-looking. However, I didn't find it all that fascinating to be honest. It is a glossy large format book with a lot of photos but not a tremendous amount of text. It does share the story of the product but it's not very in-depth in my opinion. Still a good purchase if you're a huge Shiner fan! 0 of 0 people found the following review helpful. Great book! By Michael Sersig Great read! I saw this book on Shiner's website and had to have it. I'm glad I bought it because it's very informative of my favorite beer. 0 of 0 people found the following review helpful. Shiner history and History in Pictures. By Ellenberger Perfect book to know and remember Shiner!

Commemorating the 100-year anniversary of Shiner Beer, this entertaining history tells the complete story of a famous Texas establishment. Shiner Bock has entered into the pantheon of Texan icons, and this book chronicles its development, from the improbable beginning of German and Czech immigrants who founded the brewery to the successes and struggles of a growing business, recalling the many times the brand was as good as dead. For beer connoisseurs, Texas-history buffs, or simply those who appreciate a story of beating the odds, this is a tribute to an

independent and well-made beer.

"Full of heartwarming stories, hilarious anecdotes, and fabulous archival photos." —Austin Chronicle
