**Japanese Cooking Companions : Simple and Easy Taste of Japan (Simple easy)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Simple and Easy Taste of Japan (Simple easy):

0 of 0 people found the following review helpful. It is as Simple as the title says!By MLawrenceA well thought out book that presents simple dishes and demystifies oriental food. Can be useful even to inexperienced cooks.

Small spiral plastic comb binding. Book lies flat when opened. Very convenient and easy to use.
