The font is small as well and I think hard to read. I don't think I would be able to prop the book open comfortably while trying to put a recipe together. The front cover picture is very inviting but this book was returned today. Not recommended mostly because of it's size. Price is a bit much for this item as well.5 of 5 people found the following review helpful. Classic cream scones are ultimate - packs a lot of recipes in a small space!By Colorado Mom x 3I've used many of these recipes over the years, and all have been great. When we lost our house in a fire this summer, this was one of the first cookbooks I needed to replace because I used it every time I make scones. There are larger, more elaborate books out there, but this one is practical and usable, and has the BEST recipes. Directions are easy, results are amazing. The 'Classic Cream Scones' are my all-time favorite scones, but the Apriocot, White Chocolate, and Walnut scones come in a close second. Macadamia Banana Praline and Chocolate Chip Orange are also favorites. And that's just in the 'sweet' section. The savory scones, like Pesto Cheese, Potato Bacon, and Tex-Mex, are another great take on scones, and I love the section of 'spreads' recipes at the

back. This book is tiny, but contains a lot of recipes for such a small space. All are simple to make, and simply delicious! If I could only have 1 'teatime' book, this would be the one I would choose. 1 of 1 people found the following review helpful. Thumbelina would be very pleased! By RAMIt's really my fault. I should have read the details. The recipes are very good, but they are printed in 6 point type. That is considered by the printing industry to be the smallest size that should be used. The book itself is 5 1/2" x 5 1/2". Fortunately, it's a gift for my grandson whose eyes are up to the task.

Scones make delectable treats for afternoon tea, breakfast, lunch, even midnight snacks. Simply Scones features more than seventy luscious recipes for scones and spreads certain to delight both traditional and adventuresome palates: Sweet Scones: Oat Current, Triple Chocolate Chunk, Jam-Filled Walnut, Pistachio Fig Scones Savory Scones: Cheese, Hearty Grain, Pesto, Tex-Mex Scones Spreads: Apple Butter, Clotted Cream, Yogurt Cheese, Chocolate Nut Butter, Raspberry Cream Cheese Spread Plus dozens more. Special sections tell how to make perfect scones, and how to serve a scrumptious afternoon tea. If you've never indulged in a batch of fresh-baked scones, there's no reason to miss out now!
