Given that it has fabulously tasty recipes for a number of different health concerns, I've been looking for a replacement in the used book section for a while. The vender sent the book to me in just a couple days (ahead of the listed date) and the book only had one page with any stains. Other than that one slightly page, it feels like a new book.

Features easy-to-make treats such as Chewy Apricot-Granola Bars, Date and Sesame Brownies, and Almond Kahlua

Squares. Plus a special chapter for those allergic to milk, corn, wheat, eggs, or chocolate. 38 drawings.
