Grab this book!By Sheree LaneThis book indeed gives me a better insight on how green smoothies cleanse, detoxify and help you get the body and lifestyle that you've always wanted. It thoroughly discusses its goals, purposes, benefits and how to carry out the 10-day cleansing program. It provides all the right information every reader should know about green smoothies and cites 10 proven green smoothie recipes in losing weight, helpful tips and added DIY Green Smoothie Recipes that are quick and easy to prepare. Everything in this book is insightful, informative and beneficial that pays off every cent spent in purchasing the book. I highly recommend this book to everyone who wants to go green and go healthy!0 of 0 people found the following review helpful. Perfect for me!By Hale GriffinHealthy is finally super delicious. This book is full with easy and practical tips and recipes, that will help you to bring your smoothies to a different level. Some of the ingredients are a bit difficult to find but knowing how good they are for your body makes the effort worthy. This is a great vegan/fruit smoothie recipe book. The author is very good at combining ingredients. This book is just FUN. I am so excited to keep trying all these crazy ideas that work so well and make me feel so good. If I had to choose one book for green smoothies this would be the one I would choose. The recipes all sound and look so good that I can't wait to try the next one.0 of 0 people found the following review helpful. an amazing book for all the health buffs out there!By Maureen GarrettFinally, there is an awesome way to lose weight without starving yourself. I love the collection of these affordable juice recipes this book offers. These healthy and filling juices promise a better experience compared to other programs because it enhances the mood so you won't feel any crankiness while going thru the whole detoxification process. The ingredients are not hard to find as they are readily available in the market. You will also learn from this book how to make your smoothies more delicious, nutritious and appealing even to the kids which I think is a great plus. Truly an amazing book for all the health buffs out there!
