found this one on for my daughter. Written by "everyday folks" who are great cooks! Some recipes are great for nightly dinners, while others are more complex, for big dinners with guests! Highly recommend!0 of 0 people found the following review helpful. Five StarsBy julie n cluteNo review0 of 0 people found the following review helpful. Awesome!By lacrawfordThe cookbook, Southern Born and Bread, came in a reasonable time frame.The recipes are excellent for a family and are delicious but not complicated..

Well, dip me and fry me! Great Southern cooking.
