4 of 4 people found the following review helpful. Great addition to my Thai cookbook collection! By Brennan M Griffith I love this cookbook! In my opinion, stories, great photos, and recipes with thorough and easy to understand instructions are all marks of a great cookbook. This book meets all of those standards. Also, it has a bunch of recipes for dishes that I've never read about (despite having about 15 other Thai cookbooks) so that makes it especially unique. Word of advice: be prepared to convert milliliters to cups! 0 of 1 people found the following review helpful. Looks delicious! By c. reed I'm looking forward to trying all the recipes!
