She had purchased her book at the Spirit House Thai Restaurant and it had many more photos than the one I received. Therefore, I was disappointed that I did not receive the same one. The cover is the same but mine is thinner due to the lack of photos. Mine was printed by a different publisher in Singapore. Had I known this I would have waited and gone to the restaurant myself and purchased the book there.1 of 6 people found the following review helpful. Good eatsBy KaySpent some time in Australia and saw this book over there. I love Thai food and look forward to cooking up some great meals with this book.

A virtual cooking class in your own kitchen, these recipes demystify Asian Ingredients and cooking methods. Helen Brierty, owner of the internationally acclaimed Spirit House restaurant at Yandina Queensland, and head chef Annette Fear have brought together their most popular and requested dishes, which have been enjoyed for years by diners at

the restaurant and taught to students at its hands-on cooking school.
