By Loves comfortable shoes Great book for everyone, but especially beginners. 0 of 0 people found the following review helpful. Five Stars By mommy fl Another excellent DK book. Great for teaching young bakers. 1 of 1 people found the following review helpful. Detailed step by step guide followed by the recipes By Doris This book is very good because it showed photos and explained all the steps to making macarons, layered cakes, shortbread etc, followed by the different types of recipes and flavours, so you understand the basics are the same and use the different flavours, textures and ingredients, receipes provided after each chapter. Good value for money for such detailed information and it is in hardcover too. Go buy it.

If you want success in the kitchen, DK's new Step-by-Step Series will take you through every single stage of classic recipes with clear, illustrated, step-by-step instructions that guarantee you will be cooking with confidence. Featuring two hundred recipes in easy, step-by-step sequences that showcase every single stage, Step-by-Step Cakes covers a spectrum of cakes, from angel food, jelly rolls, and mini cakes, to red velvet, sponges, and chiffon cakes. Step-by-Step Cakes will have readers cooking the world's classic recipes successfully, whether making a birthday cake or whipping up biscuits, cookies, or treats for the family.
