1 of 1 people found the following review helpful. Great Book!!!By FishmongerThis is a great Japanese cookbook! I enjoy cooking Japanese food, and this book is easy to follow and straightforward. I have tried to find a book that has some recipes of my favorite Japanese foods, and this one has recipes for oyako don, miso soup, hijiki, and chicken kara age to name a few. All of the recipes turned out perfectly, and the food was delicious. HIGHLY recommended!
