It's inspiring.My aunt recommended it because her Indian friend gave her a copy. I can't wait to master some of the recipes and post an addenda.0 of 0 people found the following review helpful. An all-time favorite cookbookBy jlbThis is one of my all-time favorite cookbooks. Beautiful pictures, step-by-step instructions, great recipes that will appeal to many and simple enough to serve frequently. I bought two extras to give as gifts to young couples who enjoy exploring the world thru cooking!0 of 0 people found the following review helpful. Four StarsBy LynnGreat item
