Various : Step-by-Step Thai Cooking (Periplus Mini Cookbook) before purchasing it in order to gage whether or not it would be worth my time, and all praised Step-by-Step Thai Cooking (Periplus Mini Cookbook):

Synopsis : The cuisine of Thailand is a skilful blend of the most interesting elements of Asian cooking. Sweet and aromateci spices give complexity to curry sauces and, when blended with the Thai ginger, kha, and the stimulating flavour of lemon grass and lime leaves, they make a taste uniquely Thai. You can create this very appealing cuisine at

home with these easy step-by-step illustrated recipes.
