0 of 0 people found the following review helpful. Has repetitive recipesBy D. GuilbeauThe book has nice pictures of the recipes.After a while the recipes get repetitive. The repetitive ones basically say: Marinade the protein. Drain it. Stir fry it. Add vegetables and stir fry them. Add the remaining marinade and stir fry. Serve with brown rice or quinoa. It seems the only changes are the protein and vegetables.There was no significant table of contents when I clicked "Go To" on my Kindle. There are advertisements for other books by the author.
