**Jonathan King, Jim Stott, Kathy Gunst : Stonewall Kitchen Breakfast** before purchasing it in order to gage whether or not it would be worth my time, and all praised Stonewall Kitchen Breakfast:

13 of 14 people found the following review helpful. Breakfasts Worth EatingBy Captain LatteThis is a cute little breakfast book and fantastic deal for the money. One of the nice things about this book is that there is a close-up photo for each recipe. This really helps with presentation sometimes. The recipes are all simple to make and rarely require hard-to-find ingredients.I'm a big egg person so enjoyed many of these recipes such as Eggs Baked in Pancetta Cups and Provencal-Style Baked Eggs. And they have all the standard egg dishes too such as Scrambles, Omelets, , Frittatas, Benedicts, Huevos Rancheros, and Quiches, but each with nice new twist (e.g., Lobster with your Benes). There are also great tips on the basics of making omelets, poaching eggs, etc.There are chapters with recipes for scones, muffins, coffee cake, granola, french toast, pancakes, fruit dishes, drinks, etc. And there even is a chapter on side dishes to accompany the main courses. I recently tried the Breakfast Corn Fritters, which is a variation on the pancakes and just loved them. It really is a complete breakfast book worth owning if you're a big breakfast fan like me.0 of 0 people found the following review helpful. Great photos, great recipesBy lapointeExcellent recipes for breakfast lovers. The book is full of color photos, which I love in a cookbook. I didn't find the recipes to be "too cheffy". It's approachable and full of brunch-type of special breakfasts. Try the strata, it's delicious.0 of 0 people found

the following review helpful. Five StarsBy M. PrimeBeautiful photography and better recipes. Many have become main-stays in our house!

Wake up and smell the coffee with this collection of breakfast recipes from the folks at Stonewall Kitchen. Those onthe go can grab a Coffee Cake Buttermilk Muffin and head right out the door. For a delicious lazy Sunday afternoonbrunch with friends, serve up a Stonewall Bloody for each guest, followed by Open-Face Breakfast Sandwiches with Pequilla Peppers, and Brown Sugar-Glazed Bacon. With helpful hints for poaching eggs, setting up a yogurt bar, and flipping perfect pancakes, this is a must-have for breakfast lovers everywhere!

About the AuthorJonathan King and Jim Stott are the founders and owners of the nationally acclaimed Stonewall Kitchen, award-winning manufacturer of specialty food products, headquartered in York, Maine.Kathy Gunst is a food writer and the author of 10 cookbooks.
