I guess he's into bears. Anyway, I'm hoping I get some delicious muffins out of this.0 of 0 people found the following review helpful. CuteBy Wisconsin ShopperI purchased this as a gift for a college age girl. The photo's were fun and recipes were basically okay. Not really much to the book, the photo's are the draw for this one. I can't recommend it for the serious baker or cook.0 of 0 people found the following review helpful. Muffin Recipes + Stud Photos + Smutty Romance Stories = Great!By Claire P.G.Oh geeze!
