I like it.By Janet M BrownIt seems the pictures are colored from the 1950's process, and the instructions are OK if you know what you are doing to start with. You would do best to have a basic knowledge of how sugar paste behaves before you attempt with this book as it leaves out very basic instructions, but I liked it well enough1 of 1 people found the following review helpful. Sugar Flower for all SeasonsBy Maria E. KayaGreat book. The flowers and arrangements in the seasonal format helps give you good inspiration to design your own project. Good instruction and photos.1 of 1 people found the following review helpful. MY FAVORITEBy RedGorgeous pictorials, perfect floral sugarpaste specimens. The level of detail and artistry makes it one to behold and

refer to. Love all his books!
