Diana Collingwood Butts, Carol V. Wright : Sugarbakers Cookie Cutter Cookbook before purchasing it in order to gage whether or not it would be worth my time, and all praised Sugarbakers Cookie Cutter Cookbook:

1 of 1 people found the following review helpful. Fun ideas for decoratingBy Penny LucasFun ideas for decorating. I like the icing recipes, they make batches of icing that are the right size for a batch of cookies without a ton left over.21 of 21 people found the following review helpful. great recipes,but scanty directionsBy A CustomerThis book had excellent recipes for cookies--not too sweet--and easy to follow directions. When it comes to directions for decorating, pictures would have been helpful. Most directions read: using spatula, spread icing in the ---area, or pipe on eyes,etc. It would be nice if there were patterns to follow. As it is,you have to keep referring back to the photos on the cover or center spread. Overall, though, a very good book with lots of information about where to get supplies and how to make your own cookie cutters.0 of 0 people found the following review helpful. Would use againBy CustomerNo problems

Just in time for the holiday baking season, here is a one-of-a-kind treasury that is also a " calendar of cookies, " featuring recipes, designs, and decorating instructions appropriate for each month. of color photos. Line drawings throughout.

.com Sugarbaker's Cookies are not your average, run-of-the-mill confections; on the contrary, these are works of art. For anyone who has the time to bake and decorate beautiful cookies, Sugarbaker's Cookie Cutter Cookbook has a recipe and a look for every season. Santas for Christmas, Witches for Halloween, Hearts for Valentine's Day, and pigs,

cows, cakes--just about anything else you can imagine for every occasion under the sun. Sugarbaker's gives you great recipes and invaluable instructions for making your own cookie cutters, working with icing, finding mail-order equipment, and overall tips on successful cookie baking. Making exquisite cookies like the ones within these pages takes time, practice, and patience, but for those aspiring da Vincis out there, Sugarbaker's Cookie Cutter Cookbook is a wonderful resource for inspiration and solid information.
