Sally Holbrook : Sun, Sand, and Sausage Pie: --And Beach House Memories: A Cookbook before purchasing it in order to gage whether or not it would be worth my time, and all praised Sun, Sand, and Sausage Pie: --And Beach House Memories: A Cookbook:

This is a charming and nostalgic cookbook where childhood memories of week ends and vacations at the family beach

house are blended with over 100 family favorite recipes gathered from three generations of expert cooks. Brimming with helpful culinary tips, these easy-to-follow recipes will allow any cook, from novice to experienced, to create simple but elegant dishes or entire meals with confidence and ease. Sun, Sand and Sausage Pie is sprinkled with period photographs of seashore living in the 1930s/1940s and is artfully decorated with hand painted page borders and chapter titles. Dressed in a brightly water colored dust jacket, this cloth hardcovered book conceals a spiral binding which allows the pages to lie flat when the book is open. This is a cookbook that is as well received on the coffee table as it is in the kitchen!
