I haven't made any yet but they look interesting.1 of 1 people found the following review helpful. Great RecipesBy SuperNanaNJI collect cookbooks and this one is my favorite. I condition of the book was good although it showed some wear at the binding. I know I will be using this book a lot for the holidays.3 of 3 people found the following review helpful. Best resourceBy steeleThis is the bible for baking issued by White Lily. The recipes were clear, with excellent details. The history was facinating. Worth paying more than the original cover price. The vendor I used was great as well.

The White Lily Food Co. celebrated its 115th anniversary with this collection of choice Southern baking recipes.
