**From Oxmoor House : Sunset Wok Cookbook** before purchasing it in order to gage whether or not it would be worth my time, and all praised Sunset Wok Cookbook:

0 of 0 people found the following review helpful. Two StarsBy Christopher LeahyLots of books like this....1 of 1 people found the following review helpful. Great cookbook for the moneyBy HLEI love Sunset cookbook. They have been around forever. I have many in my collection of cookbooks. I am happy they are still available. Mostdishes are so simple to fix in your Wok or just a pan and they are delicious.
