We all grew up eating crispy treats, the book includes several recipes to make treats for various holidays and occasions. Some are as simple as adding different flavors or colors and making into various shapes. Most of the recipes can be made by children or with assistance from an adult. Yes, you can find ideas on the internet, but this is a compilation of several good ideas with color photos of most of the recipes in one spot. I would highly recommend this book for children and adults. 2 of 2 people found the following review helpful. My granddaughters will love this. By Mary I bought this book for a friend but after looking through the recipes I might have to keep it. The pictures are colorful and make choosing just one difficult. The instructions are easy to read and perfect for beginners. My ten year old granddaughters will love this book. 0 of 0

people found the following review helpful. Loved all the great recipes in this bookBy N. BennettLoved all the great recipes in this book. The first item I made was Crispy Ice Cream Sandwich Treats. They were delicious. They disappeared so fast I have already made another batch. Instructions were well written and easy to follow. A favorite cookbook in my family. It was very helpful knowing the difficulty level before you started and I was very happy that most recipes are rated easy!
