LafosseI am impressed with this book's scope and the way in which it heightens my interest in the basics of Chinese cooking and the ingredients for each recipe.0 of 0 people found the following review helpful. Asian Cooking Superb!By OrchidLoverA wonderful book with dishes that fit in to our lighter and healthier diets and yet are affordable and easy to prepare.2 of 2 people found the following review helpful. Absolutely love the Susanna Foo cookbooksBy Seldon BradleyAbsolutely love the Susanna Foo cookbooks. Light, fresh cooking. Exotic flavors without exotic ingredients. Recipes are not complicated and they execute exactly as written. Someone took care to make sure all recipes work as written. I love cooking - wouldn't be without all of Foo's books!
