About the Author With a lifelong passion for the sea, sushi was an inevitable infatuation for Ross A. Christensen. Being obsessed with everything about whatever his interests are, he became a pain in the side of many Itamae with question after question. Now he is happy to pass on his knowledge on the subject to anyone who is willing to listen to a longdrawn-out answer. Eatsushi.com has given him a great outlet for ramblings. His odd humor riddles his conversations and his unique view on the world fascinates people who meet him. He knows a lot about a lot of other subjects too, but that's for another book.
