A Cookie for Every JarBy Yervant KutchukianMaria presents us with a solid collection of bakery style cookie recipes. She includes some oldtime favorites that are sure to be recognized, as well as some harder to find international recipes. The recipes are decidedly

weighted in the Italian genre, understandably given the author's roots, with a large number of biscotti recipes. The recipes tend to be on the rich side, but she compensates for this with a small collection at the back of low-fat, low-sugar, gluten-free, and more health conscious recipes. She even has a recipe to satisfy Fido! One of the more unusual recipes included is for chocolate chili pepper cookies. Although the collection does not include any photographs and has few illustrations, the recipes are clearly written and success is almost insured without the benefit of visual aids. This volume is definitely worth checking out if you have a soft spot for cookies!

For a sweet snack or a delectable dessert, Maria Bruscano Sanchez, baker and author of three previous cookbooks, offers this cookie collection of family recipes, popular bakery treats, classics, and variations on familiar favorites. Cookies and cookie-lovers come in all shapes, sizes, and tastes, and this book has something for everyone, including Cappuccino Drops, Cheesecake Squares, Amaretto Biscotti, Chocolate Nutella Sandwiches, Italian Love Knots, classic Chocolate Chip, and a selection of low-fat, low-sugar, and gluten-free cookie recipes. Complete with information on ingredients, kitchen equipment, as well as baking tips and techniques, this collection of easy to make recipes is sure to produce tasty results. Whether you like your cookies dropped, rolled, filled, piped, or fried, Sweet Maria's Cookie Jar has the recipe you're looking for, and more than a few you'll be thrilled to discover.
