I've had to make a few tweaks when translating to US measurements and even cooking times, but overall the recipes are great. And most of them are pretty easy for the home baker. I've discovered a few new dishes that have become party dessert staples thanks to this book.0 of 0 people found the following review helpful. LovelyBy CESThis is a nice cookbook filled w/ all the things you remember as

well as all those delicious things you read about in British books. All I can say is "yum"!0 of 0 people found the following review helpful. Good QualityBy HaigharThe book arrived well before it's time and in pristine condition.Woman's Weekly has always been a favourite and I'll definitely be back for more.Highly Recommended

Of all the tastes we remember with the most pleasure, those sweet, old-fashioned favourites of childhood usually head the list. This book gathers together around 200 of the best-known and best-loved pastries, cakes, puddings, biscuits and other sweet treats.
