**Michael Paul : Sweet Paris: A love affair with Parisian chocolate, pastries and desserts** before purchasing it in order to gage whether or not it would be worth my time, and all praised Sweet Paris: A love affair with Parisian chocolate, pastries and desserts:

0 of 0 people found the following review helpful. Gorgeous Photography By Asrai My four trips to Paris have all been accompanied with Montezum's revenge- and well rain - I purchased this book for the photos ...the recipes are token basics. One of my favorite things to eat in Paris was cramique with pearl sugar which didn't make the cut here. Just very basic pastries so if you're looking to become a French pastry chef look elsewhere. This is a nice coffee table book! 0 of 0 people found the following review helpful. Pics are incredible. Love this book By Gapeachmama Beautiful

book. Pics are inspiring and gorgeous. I want to try recipes. Annoying bc you'll have to convert for grams but I bought for my bookcase and love being inspired. My daughter does too. Highly recommend. 2 of 2 people found the following review helpful. Lovely photos recipes By Michaela Aguri Haven't tried any of the recipes although they seem manageable. It's the photos that I love more: Everyday life scenes surrounded by pastries and patisseries galore. Makes me imagine I'm back in Paris though it's never the same as actually being there, but this book is a close second.

An exquisitely photographed celebration of one of the world's most beautiful cities: the perfect gift for Francophiles and food lovers. An irresistible combination of classic French dessert recipes and breathtaking photographic tour of this enchanting city, Sweet Paris is more than just a cookbook: it's a sweet-toothed guide to Paris, a city where even the desserts are chic. With more than thirty distinctly Parisian recipes, ranging from tarts and macarons to madeleines and chocolates, let your taste buds do the walking. A sophisticated design and stunning images help to make this book a timeless keepsake that will be cherished for years to come. Photographer Michael Paul has a passion for both Paris and desserts, which are captured beautifully in his images of the city of light and love. Sit back and flick through the pages to enjoy the ambience and joie de vivre of this remarkable city.

About the Author Michael Paul is an internationally renowned lifestyle photographer. His work appears regularly in magazines including Martha Stewart Living, Gourmet, Delicious and Vogue Living.
