What she chooses to bake, the way she writes her recipes and descriptions and the layout and style of the book. Most importantly, everything that I have made has come out to rave reviews. Like her other book, I will be taking my way through this one. Love it.4 of 4 people found the following review helpful. The best dessert book i have !By chernobylcreatureI have received this book as a gift, being familiar wit Carine Goren's website i decided to give the recipes in this book a try. One after another the recipes turned out better than i expected. Really, the only criticism i have is about the 'cheesecake' part of the book. Being an Israeli living in the States, i was excited to try the various cheesecake recipes from the book to have a nostalgic taste of the amazing cheesecakes from back home. To say the least, the cheesecake recipes did not meet my expectations. Since this book is 'translated' specificaly for the U.S. crowd, the recipes indicate the use of creamcheese; the american

creamcheese which is completely different from the Israeli made 5% and 9% so called 'white cheese'. However, these recipes made with american creamecheese are still better than the american made cheesecakes by far. My dissapointment with the cheesecakes did not relent me from trying most of the recipes in this book and im glad to say this is my most favorite book in the kitchen. I hope you can enjoy it as much as i did. 1 of 1 people found the following review helpful. Love this book  
By Nora  
This book is perfect if you like simple baking recipes. It's all basic ingredients and not expensive. I have tried so many recipes from this book and I'm not disappointed :). I love the Babka cake, soo perfect! Better than Panera Bread's babka cake! . The sponge orange cake is so fluffy, it's like Grandma's cake :) I just bought one more book as a gift to my friend who is not a great baker, like me :) but with this book you will feel like a chef:)

Carine Goren, the Baking Guru of Israel , has been whipping up a baking frenzy throughout the country with her Sweet Secrets dessert cookbook. Since it was first published in Hebrew in 2006, ,Sweet Secrets has been a bestseller and continues to be on the Israeli bestseller list for 150 weeks to date (and still going strong!). Due to overwhelming demand, Sweet Secrets is now available in English. With Carine Goren's Sweet Secrets, you'll create irresistible cakes, cookies, pies, cheesecakes, pastries and other delectable desserts. Each of these 100 foolproof recipes is accompanied by a sweet secret that reveals a professional technique, trick or tip that will raise your baking skills to an entirely new level. Carine Goren's warm personality shines through every page of these easy-to-follow recipes, which come with detailed instructions and mouth-watering photographs. Discover the secrets that make this book a real treat for all baking enthusiasts beginners and experienced alike!

About the Author  
Carine Goren is Israel s best-known pastry chef. Her cookbooks are bestsellers, and her hit television show Sweet Secrets has won her many fans. She lives in the Tel Aviv suburb of Hod Hasharon with her chef husband Ronen and their three cats.
