My daughter and I choose a recipe and sip on wine while cooking up one of the scrumptuous recipes! This Christmas I gave all my friends a copy of the book. So easy to ship directly from and they all LOVED it! it's great for all your wine-sipping, swirling friends--and I have many of them. This cookbook celebrates the Northwest's red-hot wine scene by pairing vintages from local winemakers with their favorite small plate dishes. The Pacific Northwest is a region that's become increasingly known not only for its

brehtaking scenery, but also for its maverick winemakers and award-winning wines. Each spring, summer, and fall, wine lovers flock to the region to sip world-class wines. *Swirl, Sip and Savor* includes small plate recipes from 100 wineries in Oregon, Washington, and British Columbia. Each recipe has been selected by a regional winery (winemaker and/or chef) and accompanies a suggested wine pairing from their vineyards. Recipes range from simple starters and finger foods to more sophisticated small plates. With beautiful color photographs throughout and profiles of the region's top wineries, *Swirl, Sip Savor* is for home cooks who want to enjoy the very best of the Northwest's food and wine.
