Taste Of Home : Taste of Home Baking, All NEW Edition: 725+ Recipes Variations from Classics to Best Loved! before purchasing it in order to gage whether or not it would be worth my time, and all praised Taste of Home Baking, All NEW Edition: 725+ Recipes Variations from Classics to Best Loved!:

3 of 3 people found the following review helpful. Great RecipesBy Nicole BourdonThis book contains great recipes for all styles and levels of baking someone might be at or have. I'm picky about my cookbooks, since I don't like chocolate and I don't like super complex recipes. This book had tons of great recipes, from beginner to more complex, and it had all sorts of different tastes. Although I bought it for baking sweets, I've used tons of recipes from the baking bread section as well. As of now I haven't tried a recipe that didn't work (with the exception of when I was messing around and did some substitutions). I would highly recommend this book, even if it is a little outdated by this point.1 of 1 people found the following review helpful. This was purchased as a Christmas gift. It arrived ...By nmclelThis was purchased as a Christmas gift. It arrived promptly, was packaged well, and the recipient was thrilled. Thank you2 of 2 people found the following review helpful. Every recipe top notchBy AshleyI love baking, but every recipe book I had seemed to have at least 3 or 4 awful recipes for every good one, sending me searching on the internet for recipes. I purchased this book on a recommendation from my mother in law. I have now made no less than twenty things from

this book and every single one of them has been absolutely amazing. I'm ready to give away my other baking books; this is the only one I need. It has a huge selection, everything from cookies, cakes, and frostings, to yeast breads, quick breads, and even a section for healthy sweets (oxymoron that it is) and I now know even if I'm making something I've never made before, if i find it in this book, it'll be impeccable.

Built on the success of the first book, this all new-edition of the best-selling baking binder offers 725 recipes perfect for baking at home. Sure to appeal to both those who have never baked and those looking to expand their skill set, it contains four brand-new chapters: a cupcake chapter, a coffee cakes and sweet rolls chapter, an almost homemade chapter that shows recipes made with convenience products, and a trimmed-down favorites chapter filled with delicious lighter recipes. This book is all about baking—from cookies, bars, and cakes to yeast breads, lighter baking and special holiday baking, including: Best Chocolate Cake Recipe Caramel Pecan Cheesecake Dark Chocolate Butterscotch Brownies Banana Nut Bread Spice Cupcakes with Mocha Frosting Walnut Pear Coffee Cake Walnut-Caramel Sticky Buns Upside-Down Apple Pie Shortbread Ornament Cookies Raspberry Cream Muffins Some recipes are highlighted as Cooks Who Care recipes, an initiative that often caters to large groups who are in need—these recipes are great for any large crowd. Each and every recipe in the book originates from the Taste of Home kitchen, experts from the world's largest cooking magazine. The 5- ring binder lies flat when open and includes snap-in splash guards to protect the pages from food spills, and chapter tab dividers with a chapter index for quick reference. And with over 725 photos that illustrate mixing and baking methods and the delectable baked results, even the inexperienced baker will be well on their way to a delicious outcome.

About the AuthorTaste of Home is a leading multi-platform producer of information on food, cooking and entertaining, serving home cooks with engaging media that capture the joy and comfort received from food made with love. Taste of Home publishes three magazines (the flagship Taste of Home- America's largest cooking magazine, with a circulation of 3.2 million- Healthy Cooking and Simple Delicious); top-selling bookazines; newsstand specials; and popular cookbooks and e-books.
