Daniel Joelson : Tasting Chile (Hippocrene Cookbook Library (Paperback)) before purchasing it in order to gage whether or not it would be worth my time, and all praised Tasting Chile (Hippocrene Cookbook Library (Paperback)):

3 of 3 people found the following review helpful. Great recipes By AlexandraBeing from Chile myself, I wanted something that would have some of my country's recipes, but also speak to me in ingredients I could find here in the States. This book does just that and it is a staple in my home. Lots of recipes to choose from and they always turn out wonderful. The Pastel de Choclo recipe is a MUST try for anyone who gets this book. YUM! 1 of 1 people found the following review helpful. No photos in the book?!?! By F. Coombs NO PHOTOS AT ALL IN THE BOOK! What a

bummer.3 of 3 people found the following review helpful. Tradition Chilean RecipesBy A. TaylorWonderful and authentic Chilean recipes. Purchased one for us and one for my in-laws. Would be better if there were illustrations but having some familiarity with Chilean food, we already know what most dishes should look like. The narratives are also enjoyable for foodies!

Tasting Chile is a comprehensive guide to the culinary treasures of this South American nation. More than 2,500 miles of coastline yield a diverse selection of fish preparations. Fertile valleys produce a wide range of fruits and vegetables and have spawned a booming wine industry. This book includes simple, everyday recipes, such as roast chicken and beef stew, as well as more complex and exotic fare, including blood sausage, fried frogs legs, and rhubarb mousse. This cookbook includes more than 140 easy-to-follow recipes; a detailed introduction to Chilean cuisine and culture, including essential ingredients; a chapter on Chilean wines; and a Spanish-English glossary of Chilean fish and shellfish.

". . . a welcome and recommended addition to personal and family cookbook collections for those who enjoy exploring the tastes and cuisines of other lands and other cultures." --The Midwest Book About the AuthorDaniel Joelson spent five years living in Chile, unearthing its stories and hidden secrets. These discoveries have appeared in publications ranging from The San Francisco Chronicle to Latin Trade. Joelson is also author of Chilenismos Dictionary Phrasebook (Hippocrene Books, 2005). He resides in Arlington, Virginia.
