**The Southwater Editors : Thai: Classic Cuisine Series (Classic Cuisine)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Thai: Classic Cuisine Series (Classic Cuisine):

It was hot hot hot and tasted absolutely authentically delicious! We thought we cooked better than the Thai restaurants we've visited. Even though the book is relatively small in terms of number of recipes - it's worth it.

The exotic flavors of the tropics are brought to your table in these tempting dishes from Thailand.
