Great step by step cookbook w/picturesBy nopetVery good step by step instructions and picture on every recipes. I like this cookbook.

This cookbook provides ideas for Thai cookery. Each of the over 100 recipes features colour photographs. Each recipe is rated for ease of preparation, for ease of use and understanding. There is also an indication of how long a dish will

take to prepare. One of a series of family cookbooks sponsored by "Family Circle" magazine, all of the recipes are double-tested and double-tasted.
