**From Brand: Parragon Inc : Thai (Everyday)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Thai (Everyday):

0 of 0 people found the following review helpful. Easy and tasty. By Ant Round Having had the book for a few years, today I picked it up by incident and tried one dish. We happened to have all the ingredients in the house and it actually helped finishing up two old peppers. It was simple, easy and extremely tasty. I won a bow, yes, a real bow, from a Thai food lover and an enthusiastic dish cleaning after the meal. I will try another dish soon. Everything looks delicious. 0 of 0 people found the following review helpful. Back reads By topbook Thai cuisine has much to commend it - not only is it delicious and very quick and easy to prepare, it also looks every bit as good as it tastes, making it perfect for both family meals and for entertaining. This book has a selection of the very best traditional Thai recipes to inspire you for every occasion. Whether you are looking for a quick lunch or supper dish or ideas for a stylish dinner party, there is something here for you.
