The only one you needBy DanielI have a friend that is Thai and he swears by this book. Great simple recipes. No unnecessary ingredients. A timeless classic. It's the only Thai cookbook that I bother to own.

Rich, unusual flavors and hot and spicy combinations have made Thai cooking the newest exotic cuisine that is sweeping the country. Now 157 classic dishes from the authentic Thai restaurant Kamolmal have been collected and re-created into easy-to-follow recipes for American cooks.
