I bought this book off as a present for my friend who also bakes a lot of cookies; bought off ebay for myself. After the book came and I looked through it, I wasn't excited. I can't say there is anything special about the cookies in this book and I didn't see any recipes that made me go "wow!"My friend was honest with me and told me that she hasn't used it because none of the recipes thrilled her either. Neither one of us liked that it needs pictures. I prefer cookbooks with lots of pictures.Just to be honest...I am one of those bakers and cooks who

makes up my own recipes, so maybe this cookbook is too basic for me. That doesn't make it a bad cookbook...just not a cookbook for me.0 of 0 people found the following review helpful. Overall SatisfactionBy MaddiePurchased this book after looking through the recipes at my Library. Decided there were so many that I wanted, it was worth purchasing my own. It's packed with all the cookies I love. It's nice to have a lot of favorite recipes all in one book. Glad I decided to buy it.0 of 0 people found the following review helpful. I have been a fan of Esther Brody's books for a long timeBy Potluck QueenI love Esther Brody's books. Nicely laid out. Measurements are in American, British Australian. Directions are easy to understand. Very few photos, probably around 16. If you are looking for cookie recipes only I would suggest buying her "500 Best Cookies Bars Squares" cookbook, which has the 250 recipes in this book plus 250 more -- at a lower cost. If you would like an all-purpose Esther Brody book I would suggest purchasing "1500 Best Bars, Cookies, Cakes, Muffins More" which is a compilation of all of her cookbooksIf you want to know if this book is for you, go to your local library. If they don't have a copy there is always the option of the Inter-Library Loan procedure (books usually take about 3 weeks to arrive). I almost always preview books from the library before purchasing ... it has saved a lot of

Who doesn't remember the wonderful, warm aroma coming from the kitchen as Mom was baking cookies? With 250 recipes to choose from, you'll find an extraordinary range of cookies for every occasion and for everyone from young to old in this complete cookbook. Looking for the perfect accompaniment to your next cappuccino? Chocolate Walnut and Chocolate Nut Coffee Biscotti fit the bill perfectly! And with cookie swaps becoming so popular, choosing just one recipe will be really tough. Whether you choose The Ultimate Sugar Cookie, Chocolate 'n' Vanilla Spirals or Butterscotch Pecan Cookies -- all are sure crowd pleasers.And of course no holiday occasion or gift basket would be complete without Hanukkah Sugar Cookies, Cherry Valentine Cookies, Thanksgiving Pumpkin Spice Cookies or Holiday Cranberry Cookies.The recipes are broken down into easy to find and follow sections: Drop Cookies, Hand-Shaped Cookies, Sliced Cookies, Biscotti, Sandwich Cookies, No-Bake Cookies, and Holiday cookies.Helpful baking tips are featured throughout the book as are ingredient methods (for example the correct way to melt chocolate), storage methods and even a cookie troubleshooting section. If you love to bake (and eat!) cookies, this is an absolute must-have for your kitchen.
