Honey Zisman, Larry Zisman : The 50 Best Oatmeal Cookies in the World: The Recipes That Won the Nationwide "Ah! Oatmeal Cookies" Contest before purchasing it in order to gauge whether or not it would be worth my time, and all praised The 50 Best Oatmeal Cookies in the World: The Recipes That Won the Nationwide "Ah! Oatmeal Cookies" Contest:

Another irresistible contest cookbook. Here are 50 of America's very best recipes from the nationwide "Ah! Oatmeal Cookies" contest. The Zismans are the authors of several top-selling cookbooks, including The 50 Best Cheesecakes in the World and The 55 Best Brownies in the World.

From Booklist After chocolate-chip cookies, brownies, and cheesecake come (logically or not) oatmeal cookies in the Zismans' sequence of America's favorite sweet treats. It might be a stretch for purists to even consider adding gum drops, tomato soup, bacon, or, more likely, chocolate to their oatmeal cookies, but this little book's 50 recipes span the gamut, from the traditional to more creative forms, such as constructing double-decker delights or adding oatmeal to a package of blueberry muffin mix. A few baking tips preface the collection of recipes, most of which were submitted in

a nationwide contest. Sidebars about the world's attitudes toward oatmeal (e.g., former president Bush started his morning with hot oatmeal . . . topped with a crumbled candy bar) and several recipes from the "stars"--such as Willard Scott and Bill Blass--punctuate the rest of the offerings.
