1 of 1 people found the following review helpful. They also have a book for places to visit while in Japan that makes for a good traveling companion By Creative One There is something alluring about the cover to this book. There is no imagery of food on it and it makes me want to see the recipes within! They also have a book for places to visit while in

Japan that makes for a good traveling companion. 1 of 1 people found the following review helpful. I guess I don't really have anything bad to say about this! By Customer I guess I don't really have anything bad to say about this! It was helpful when my Japanese friends visited and we cooked a few things together! Yum! 1 of 1 people found the following review helpful. this is a great read! By Stephanie Buss If you're curious about Japanese cuisine, this is a great read!
