**Alaska Northwest Books : The Alaska Wild Berry Cookbook: 275 Recipes from the Far North** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Alaska Wild Berry Cookbook: 275 Recipes from the Far North:

0 of 0 people found the following review helpful. Four StarsBy toddvery good recipes in this book .0 of 1 people found the following review helpful. The Alaska Wild Berry CookbookBy btThis cookbook gave me a lasting feel for the Alaskancooking. I also brought one for each of my daughtersand daughter-in-law to enjoy.

Whether you are the family berry picker, grocery store shopper or cook, here are the best time-tested recipes for cooking with the more abundant and popular species of wild berries indigenous to Alaska. It's all here, from currants to watermelon berries, from milkshakes to mincemeat. Included are recipes for breads, salads, main courses, desserts, preserves, candies, syrups, trail food, and even some beverages like juices, milkshakes, and punches. Many of the recipes are in the dessert category, but you will be surprised at many other ways there are to use wild berries. Lowbush cranberries are particularly good in certain meat dishes, and are useful as a marinade for meat. Wild berries are fine for jam and jelly making, not to mention drying and freezing. Cultivated species may be substituted for wild berries in these recipes, but one must remember that they are often less tart than their wild relatives and adjustments in sugar added may be necessary.

""An excellent compendium at a good price."" mdash;Dee Longenbaugh, ObservatoryBooks.com, Sitka Sentinel nbsp;
