Elaine MacGregor : The All-colour Cake Decorating Course before purchasing it in order to gage whether or not it would be worth my time, and all praised The All-colour Cake Decorating Course:

1 of 1 people found the following review helpful. Excellent book for cake decorating!By L. CousinsThis is a great book in all respect, easy instruction that guide you from beginning to end to become a professional cake decorator. It is a 'most have book' for anyone interesting in this beautifull art.

This text covers all the skills and techniques of simple and elaborate cake decorating. The work includes two sections in which section one is the basics, and section two is putting into action the techniques learned in section one.
